Please be prepared. The Wastewater Project is complete. In addition to loans, grants, and user fees; **property owners of Coburg will pay a one-time local improvement district (LID) assessment** within the next couple of months.

An LID is a standard way property owners share the cost of a public improvement. All properties in the LID will pay an assessment, estimated to be \$0.22-\$0.29/sq.ft. of property. The final assessment amount is scheduled for a City Council decision September 9th.

Join elected officials for a final work session to discuss the LID assessment approach and amount.
